

Péris of Pétalioi-Samuel Martin

In memory of Peris
Peris of Petalioi

Has Peris left?

No, he has not, he is there

In front of the sea

He looks at the boats

At sunset

The fish observe him

Peris has not left

Our homes are full of sketches,
paintings,

Friezes

The Saints have recognized him

They welcome him

He stays with us forever

In Athens, on Aigina

Or in Perdhika

No tears

A bit of joy

So long Peris
